STATINTL

Dear Gene:

Received your Air Mail letter and forwarded the chart as you requested. Glad to hear about the new office space and it should enhance your efforts considerably.

Would you kindly check on the status of the list of names that you plan to send us for Christmas Card purposes and, also, a copy of the organizational charts with the appropriate names filled in. You did get our x-number of copies of that safely I hope.

I note that [REDACTED] has probably been promoted by now. Please offer our congratulations if you are still seeing him. Do we, or should we, know his replacement [REDACTED] -- have we ever met him during our visits there? STATINTL

Again, here's wishing you and Ann a very pleasant and restful Thanksgiving holiday.

Sincerely,
